

AGENDA
KANSAS ELECTRONIC FILING COMMITTEE
TECHNOLOGY SUBCOMMITTEE
Room 269, Judicial Center, 301 SW 10th, Topeka, KS
June 17, 2009, 10:00 a.m.

- 1) Clarify 'one web portal' and 'pass through authority' from the sub-committee's previous recommendations on 6/3/09.
- 2) Discuss the possibility of a required secure network connection from local Courts to OJA. (i.e. KANWIN or VPN or other method to secure transmissions to and from local courts)
- 3) Discuss how the system should be structured around submissions of data/text, OCR'd documents, image/PDF attachments, Word/Word Perfect documents, on-line form completion, etc.
- 4) Determine how notifications will be sent out/Who should they be sent from (OJA or local courts?)
- 5) Discuss staffing considerations for technical support and training at portal/OJA level.
- 6) Determine next meeting date, time and location.

There are limited visitor's parking spaces available in lot 1, directly south of the Judicial Center. If you are able to park in one of those spaces, please report your tag number to the security guards when entering the building. Additional parking spaces are available in lot 4, located across the street southwest of the Judicial Center. If you park in one of those spots, please report your tag number to your meeting facilitator.
