

Office of Attorney Admissions

Kansas Judicial Center, Room 374, 301 S.W. 10th Avenue, Topeka, Kansas 66612

To: Applicants for the Bar Examination in Kansas

Check to make sure you have the current application packet. Then review the application packet, noting the application deadline. It is, of course, desirable to file in advance of the deadline. Any applicant who wishes to file a completed application for admission after the filing deadline, but on or before November 15 (for the February examination) and on or before April 15 (for the July examination), must pay a late penalty fee in the amount of \$200 in addition to the application fee. Any application which is returned by Attorney Admissions as incomplete will be subject to the late penalty fee.

Kansas requires that your undergraduate and law transcripts be mailed directly to Attorney Admissions from the college or university. Request final transcripts far enough in advance that they are received by Attorney Admissions no later than January 15th for the February examination and June 15th for the July examination (See Supreme Court Rule 706).

If you are admitted to practice in another state, you must obtain a certificate of good standing, a disciplinary authority certificate, and a continuing legal education certificate from each state in which you are admitted. Certificates of good standing are usually issued by the Clerk of the Supreme Court, and the disciplinary authority certificate by the appropriate disciplinary governing board. Practice does vary from state to state. Certificates of continuing legal education should be obtained from the entity responsible for monitoring compliance in that state. Continuing legal education certificates must include a history of compliance with both fee payments and required hours. Certificates of good standing, disciplinary authority certificates, and continuing legal education certificates will not be accepted by Attorney Admissions if they are more than 90 days old at the time the application is received by Attorney Admissions.

All applicants for the Kansas Bar are required to submit a completed fingerprint card as a part of the character and fitness investigation. Fingerprint card packets are available at Washburn University, The University of Kansas, and through this office. Failure to submit a completed fingerprint packet by November 15th for the February examination and April 15th for the July examination will result in your removal from the applicant pool. If you have not done so already, you should complete the fingerprint packet and have it submitted to this office immediately. Your application will not be sent for the character and fitness investigation until the completed fingerprint packet is received. No applicant for admission to the bar will be permitted to take the bar examination until the application has been considered and approved by the Board.

If you are transferring an MBE score earned within thirteen months of the current examination and you successfully passed the entire bar examination in the other jurisdiction in one sitting, you must contact the state from which the score is being transferred to determine their procedure for transferring the score to Kansas. This score must be received no later than January 15th for the February examination and June 15th for the July examination.

All applicants must obtain a minimum scaled score of 80 on the MPRE to be admitted in Kansas. If you previously took the MPRE and have submitted a score less than 80 or have not yet taken the MPRE, it is strongly recommended you make arrangements to do so immediately.

You will be advised in writing if your transcripts, MPRE score, MBE score, or fingerprints are not on file at the time of filing. **This will be your only notice.** Failure to submit items by the stated deadlines will result in your removal without further warning.

The purpose of the following inquiries is to determine the current fitness of the applicant to practice law. The mere fact of treatment for mental health problems or addictions is not, in itself, a basis on which an applicant is ordinarily denied admission, and the Board of Law Examiners routinely certifies for admission individuals who have demonstrated personal responsibility and maturity in dealing with mental health and addiction issues.

The Board of Law Examiners does, on occasion, deny certification to applicants whose ability to function is impaired in a manner relevant to the practice of law at the time the licensing decision is made, or to applicants who demonstrate a lack of candor by their responses. This is consistent with the public purpose that underlies the licensing responsibilities assigned to bar admission agencies; further, the responsibility for demonstrating qualification to practice law is ordinarily assigned to the applicant.

The Board of Law Examiners does not, by its questions, seek information that is fairly characterized as situational counseling. Examples of situational counseling include stress counseling, domestic counseling, grief counseling, and counseling for eating or sleeping disorders. Generally, the Board of Law Examiners does not view these types of counseling as germane to the issue of whether an applicant is qualified to practice law.
