NOTICE TO ATTORNEYS

As the Kansas e-filing program currently does not have the ability to place the assigned judge's division number on the summons, defendants often do not report to the appropriate courtroom on their hearing date. Therefore, the following is ordered:

Effective immediately, all attorneys that electronically file in the Wyandotte County District Court Limited Actions Department (Ch. 61) are required to add the division number the case has been assigned to on the summons they print out before service is issued.

Failure to do so could result in the dismissal of the case.
