

Rule 705
TEMPORARY PERMIT TO PRACTICE

(a) Any applicant for admission to the bar upon written examination who is otherwise qualified for admission and who has achieved the required Kansas score on the Multistate Professional Responsibility Examination may file with the Clerk of the Appellate Courts a request for a temporary permit to practice law. The request must be accompanied by a written statement from an attorney actively engaged in the practice of law in Kansas that such attorney will supervise and be responsible for the acts of the applicant during the period covered by the temporary certificate. If the Supreme Court shall find that the circumstances are such to justify it, a temporary permit may be granted, expiring at the date the results of the examination are announced, if unsuccessful, or, if successful, on the last Friday in April or September following the bar examination. The temporary permit shall be effective upon the applicant's taking an oath to support the Constitution of the United States and the Constitution of the State of Kansas, and to conform to the oath prescribed by Rule 704(i).

An applicant who, within ten years prior to filing an application in Kansas, has failed a bar examination in Kansas or any other state or jurisdiction will not thereafter be eligible for a temporary permit.

(b) A practicing attorney of any state or territory in the United States who does not hold a license to practice law in Kansas and who has professional business in any Court in this state may be admitted for the time and purpose of such business by permission of the Court, on motion, without formal admission, upon compliance with the provisions of Rule 116 and/or Rule 1.01(f). [History: New rule. Previously incorporated in Rule 702(j), Am. effective May 15, 1981; Am. effective September 1, 1987.]
