

# Efiling Review and Approve Filings Page

The District Courts of Kansas will be implementing a new statewide case management system over the next several months beginning August 5, 2019. The first counties to implement the Odyssey Case Management System are Clay, Riley, Dickinson, Geary, Marion, and Morris counties.

Changes have been made to the Efiling system for the courts using the Odyssey Case Management System on the Review and Approve Filings Page.

## Certificate of Compliance checkbox

Filers must select a Certificate of Compliance checkbox certifying the documents submitted in the Efiling submission comply with Supreme Court Rule 23(b) or Supreme Court Rule 24. The system will not allow a submission to be submitted unless the checkbox has been selected.
